Autism Occupational and Physical Therapists

Autism Journeys Consulting

PO Box 119
Draper, UT 84020
801-938-9268
Website: www.autismjourneys.net

Autism Journeys Consulting seeks to help every family realize they have an opportunity to live with autism, not suffer from autism. They strive to guide families toward increased acceptance and understanding of their child's unique abilities. They provide occupational therapy services.

Child Development Clinic

Bureau of Children with Special Health Care Needs
Utah Department of Health
44 North Mario Capecchi Drive
Salt Lake City, UT 84114-4640
801-584-8510
Website: www.health.utah.gov/cshcn

The Child Development Clinic serves children birth to 5 years of age with special health care needs including Autism and Pervasive Developmental Disorders (PDD). Services include a team assessment for children with challenging behavior and/or development that is delayed, unusual, or difficult to diagnose. Clinic provides assessments, psychology, speech and language, social services, nutrition, hearing, physical and occupational therapies. Services are provided and billed based on a sliding fee scale. They offer speech, sensory integration, and occupational and physical therapies.

Easter Seals Northern Rocky Mountain

For Occupational Therapy Appointments and information on sensory classes: 801-946-1860
For Provo Early Intervention Program: 801-852-4525
For P.L.A.Y. Project and Peer Connections: 801-633-2091
The P.L.A.Y. Project (Play and Language for Autistic Youngsters) is a nationally recognized program that provides in-home training and support for families of children age 14 months to 6 years with autism spectrum disorders (ASDs). This intensive intervention model is designed to help parents make meaningful connections with their child through play...connections that bring the child out of isolation and into a place where communication, social skills, and relationships can develop.

Susan Horn
