

# Parents: Share your Story

If your child has special health care needs, we need your help.

We are developing a tool to improve ways you can access and share your child's health information.

All volunteers will receive a \$25 Amazon gift card.

## Get Involved:

To participate, please contact Dr. Teresa Taft @ [teresa.taft@utah.edu](mailto:teresa.taft@utah.edu)

Interviews will be conducted via video conferencing and will last no more than 60 minutes.

University of Utah Departments of Pediatrics & Biomedical Informatics
