

Parents as Partners in the IEP Process

Whether it's your first IEP meeting or your tenth, or you are requesting that your child be evaluated for an IEP, the experience can be stressful. Do you understand the process?

Do you forget the concerns you want to address the team with when you feel overwhelmed? How do you keep track of all the decisions and discussions. This workshop will help you understand your role, rights and responsibilities in the IEP process, allowing you to prepare and be a participant in the IEP team meeting.

Childcare is not available.
