CTA Community Supports

4444 South 700 East, Suite 203

(801) 268-4887

Murray, UT 84107

Website: www.ctautah.org

CTA is dedicated to providing quality supports for people with autism and their families. Autism Support Alternatives Program (ASAP) is a program that is dedicated to making a positive difference in the lives of each family member. The program is for families with a child living at home who has disabilities and is based on the needs and preferences of each person. This program can help parents in learning about developmental delays, behavior interventions, parent and sibling trainings, and social skills trainings.

Sibling Support Project

Website: www.siblingsupport.org

Purpose: The Sibling Support Project is a national effort dedicated to the life-long concerns of brothers and sisters of people who have special health, developmental, or mental health concerns.

Email: tina_dyches@byu.edu

Tina is an Associate Professor and Coordinator of Special Education Programs in the Counseling Psychology and Special Education, Department of Education at Brigham Young University. She has extensive knowledge of sibling issues and how children's literature can impact individuals with autism spectrum disorders.

TURN Community Services

850 South Main Street
Salt Lake City, UT 84101

(866) 359-8876

Website: <http://www.turncommunityservices.org/index.html>

TURN supports people of all ages with disabilities who live in the community or in their family homes. They help each family develop a long-term plan based on the family's present needs and future goals. Through family support services, people with disabilities, their parents, siblings, and neighbors learn new approaches and strategies to foster independence. The kinds of supports offered are flexible and family-driven.
