

IEP ready for 2015-16 school year?

A new school year is approaching and this also means an IEP update will be taking place sometime within this new school year. Here are some [helpful tips](#) to consider upon preparing your student's new, revised or updated IEP plan for 2015-2016 school year.

Behavior Management "Tech" Tools

Last week we provided a link to free online behavior classes. This week we are adding icing to the cake with 23 [tech tool ideas](#) to assist you with motivating appropriate behaviors from your child and reinforcers to help keep that great behavior progressing.

Free Adaptive Tech Club for Teens

Magna Library is offering an adaptive Tech Club for special needs teens ages 14-25 years old. To hear more about this club, parents and caregivers are invited to attend an information meeting to discuss upcoming projects, specifics about the club and other activities the library offers for special needs families. Save the date for August 18th, 7pm at the Magna Library (2675 South 8950 West Magna, Utah 84044). [Click here to download PDF flyer.](#)

Utah Parent Center Information Disclaimer

Our Mission: To help parents help their children, youth and young adults with all disabilities to live included, productive lives as members of the community. We accomplish our mission by providing accurate information, empathetic peer support, valuable training and effective advocacy based on the concept of parents helping parents.

The Utah Parent Center is a private, non-profit organization that receives federal funding to be Utah's Parent Training and Information Center by the Office of Special Education Programs under grant #H328M020032. The Center also receives funding from other federal, state, and private agencies, organizations, and individual donors. The Utah Parent Center (UPC or Center) does not represent or endorse any particular point of view, program, organization, business, or professional unless expressly stated and no endorsement may be inferred by the UPC or any of its funding sources. Every effort is made to provide accurate and complete information. Information provided to the UPC by other individuals, agencies, or organizations is solely the responsibility of the source and readers are encouraged to contact them with questions or concerns. Permission to forward and reprint the information herein is granted with complete attribution.
