

My Child Seems to be More Angry than Most

It is normal and a typical part of development for children to tantrum, lash out and get angry. However, if your child is continuously acting out and unable to control outbursts most of their day, it may be more than just typical behavior. This article from [Child Mind Institute](#) addresses signs that outbursts could be concerning.

"20 Perks to having a Sibling with Special Needs"

There is always a positive side to having a sibling with special needs and this article proves just that! Outlining and naming these benefits with your kids can be a fun activity to bring siblings closer together and to recognize strengths in each other. Here are [20 ideas](#) from the [friendshipcircle.org](#) to get you started.

Have a Child with a Development Disability?

[Disability Connection](#) highlights ten important components to Developmental Disabilities. It addresses definitions of the disability, special education, transition and securing your child's future. Don't miss this informative take on Development Disabilities.

Utah Parent Center Information Disclaimer

Our Mission: To help parents help their children, youth and young adults with all disabilities to live included, productive lives as members of the community. We accomplish our mission by providing accurate information, empathetic peer support, valuable training and effective advocacy based on the concept of parents helping parents.

The Utah Parent Center is a private, non-profit organization that receives federal funding to be Utah's Parent Training and Information Center by the Office of Special Education Programs under grant #H328M020032. The Center also receives funding from other federal, state, and private agencies, organizations, and individual donors. The Utah Parent Center (UPC or Center) does not represent or endorse any particular point of view, program, organization, business, or professional unless expressly stated and no endorsement may be inferred by the UPC or any of its funding sources. Every effort is made to provide accurate and complete information. Information provided to the UPC by other individuals, agencies, or organizations is solely the responsibility of the source and readers are encouraged to contact them with questions or concerns. Permission to forward and reprint the information herein is granted with complete attribution.
