extraordinary potential**

UTAH PARENT CENTER INFORMATION DISCLAIMER

Our mission is to help parents help their children, youth and young adults with all disabilities to live included, productive lives as members of the community. We accomplish our mission by providing accurate information, empathetic peer support, valuable training and effective advocacy based on the concept of parents helping parents.

The Utah Parent Center is a private, non-profit organization that receives federal funding to be Utah's Parent Training and Information Center by the Office of Special Education Programs under grant #H328M150034. The Center also receives funding from other federal, state, and private agencies, organizations, and individual donors.

The Utah Parent Center (UPC or Center) does not represent or endorse any particular point of view, program, organization, business, or professional unless expressly stated and no endorsement may be inferred by the UPC or any of its funding sources.

Every effort is made to provide accurate and complete information. Information provided to the UPC by other individuals, agencies, or organizations is solely the responsibility of the source and readers are encouraged to contact them with questions or concerns. Only approved items are included herein. The UPC is not responsible for information or services provided by agencies, organizations, or individuals listed. Readers are responsible to investigate resources to determine if appropriate when making informed decisions.

Permission to reprint the information herein is granted with complete attribution.

PRADER-WILLI SYNDROME ASSOCIATION SUPPORT GROUP

Address: 2652 East Nottingham Way
Salt Lake City, UT 84108

Phone: (801) 556-8012

Email: lisa.thornton10@gmail.com

Website: www.upwsa.org

Purpose: The mission of the Utah Prader-Willi Association is to provide families and professionals with a network of support, resources and information, to promote awareness of the syndrome and raise funds that will directly benefit Utahans with PWS. In addition, the association facilitates opportunities to congregate pro-active individuals who can pool talents, resources, ingenuity and vision to produce more options, increase quality of life, and create a brighter future for individuals with PWS.

PRIMARY CARE NETWORK (PCN)

Mail Address: PO Box 143107
Salt Lake City, UT 84114-1010

Phone: (888) 222-2542 or (801) 538-6003.

Fax: (801) 538-6952

Email: pcn@utah.gov

Website: www.health.utah.gov/pcn

Purpose: The Primary Care Network (PCN) is a health plan offered by the Utah Department of Health. It covers services administered by a primary care provider. Applications are only accepted during open enrollment periods, which are held when resources are available to cover more people. The federal government requires PCN to enroll more parents than people without children. Because of this, PCN may schedule separate enrollment times for parents and those without children. To qualify as a parent, you must have children age 18 or younger living at home with you.

PRIMARY CHILDREN'S HOSPITAL

Address: 100 North Mario Capecchi Drive
Salt Lake City, UT 84132

Phone: (801) 662-1000 (operator)

Website: www.intermountainhealthcare.org/locations/primary-childrens-hospital

UTAH PARENT CENTER © JUNE 2018

Purpose: The mission of PCMC is to provide quality and comprehensive pediatric medical services.

PRIMARY CHILDREN'S MEDICAL CENTER REHABILITATION SERVICES

Address: 100 North Mario Capecchi Drive
Salt Lake City, UT 84113

Phone: (801) 662-4980

Website: <http://intermountainhealthcare.org/locations/primary-childrens-hospital/medical-services/rehab-services>

Purpose: Inpatient rehabilitation provides care for toddlers, children and adolescents who have experienced a significant change in function or cognitive status due to a traumatic event, acute medical condition, or complications from a chronic medical condition. Our program follows a multidisciplinary team approach focused on optimizing the ability of the patient to return to his or her daily life. An individualized plan is created for each patient to address his or her unique needs. The plan is revised by the care team based on individual progress. Caregivers and patients are key members of the team, providing ongoing input and feedback. Therapy is goal directed, cost effective, and outcome oriented.
