Independent Auditor's Report

The Board of Directors and Management of Utah Parent Center, Inc. Salt Lake City, Utah

Report on the Financial Statements

We have audited the accompanying financial statements of Utah Parent Center, Inc. which comprise the statements of financial position as of July 31, 2017 and 2016, and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Utah Parent Center, Inc. as of July 31, 2017 and 2016, and the change in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Note 1 - Summary of Significant Accounting Policies

Organization

Utah Parent Center, Inc. (the Organization) is a nonprofit organization providing education and training to parents of children with disabilities and special needs throughout the State of Utah.

Financial Statement Presentation

The accompanying financial statements of the Organization have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables, and other liabilities.

Cash and Cash Equivalents

The Organization considers all cash and highly liquid financial instruments with original maturities of three months or less, and which are neither held for nor restricted by donors for long-term purposes, to be cash and cash equivalents. Cash and highly liquid financial instruments restricted to capital expenditures, permanent endowment, or other long-term purposes of the Organization are excluded from this definition.

Grants and Contracts Receivable and Credit Policies

Grants and contracts receivable consist primarily of noninterest-bearing amounts due from certain government or contracted entities for reimbursements of various approved expenses incurred in connection with grants and contracts. Management determines the allowance for uncollectable accounts receivable based on its determination of the collectability of each individual account. Accounts receivable are written off when deemed uncollectable. There was no allowance for uncollectible accounts at July 31, 2017 and 2016.

Furniture and Equipment

Furniture and equipment additions are recorded at cost or, if donated, at fair value on the date of the donation. Depreciation is computed using the straight-line method over the estimated useful lives of the assets ranging from three to five years. When assets are sold or otherwise disposed of, the cost and related depreciation or amortization are removed from the accounts, and any remaining gain or loss is included in the statements of activities. Costs of maintenance and repairs that do not improve or extend the useful lives of the respective assets are expensed currently.

The Organization reviews the carrying values of furniture and equipment for impairment whenever events or circumstances indicate that the carrying value of an asset may not be recoverable from the estimated future cash flows expected to result from its use and eventual disposition. When considered impaired, an impairment loss is recognized to the extent carrying value exceeds the fair value of the asset. There were no indicators of asset impairment during the years ended July 31, 2017 and 2016.

Investments

Investment purchases are recorded at cost or, if donated, at fair value on the date of donation. Thereafter, investments are reported at their fair values in the statements of financial position. Net investment return is reported in the statements of activities and consists of interest and dividend income, realized and unrealized capital gains and losses, less investment management and custodial fees.

Net Assets

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Unrestricted Net Assets - Net assets available for use in general operations.

Temporarily Restricted - Net assets subject to donor restrictions that may or will be met by expenditures or actions of the Organization and/or the passage of time, and certain income earned on permanently restricted net assets that has not yet been appropriated for expenditure by the Organization's Board of Directors.

The Organization reports contributions as temporarily restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statements of activities as net assets released from restrictions.

Permanently Restricted - Net assets whose use is limited by donor-imposed restrictions that neither expire by the passage of time nor can be fulfilled or otherwise removed by action of the Organization. The restrictions stipulate that resources be maintained permanently but permit the Organization to expend income generated in accordance with the provisions of the agreement.

Revenue and Revenue Recognition

Revenue is recognized when earned. Program service fees and payments under cost-reimbursable contracts received in advance are deferred to the applicable period in which the related services are performed or expenditures are incurred, respectively. Contributions are recognized when cash, securities or other assets, an unconditional promise to give, or notification of a beneficial interest is received. Conditional promises to give are not recognized until the conditions on which they depend have been substantially met.

Donated Services and In-Kind Contributions

Volunteers contribute significant amounts of time to the Organization's program services, administration, and fundraising and development activities; however, the financial statements do not reflect the value of these contributed services because they do not meet recognition criteria prescribed by generally accepted accounting principles. Contributed goods are recorded at fair value at the date of donation. The Organization records donated professional services at the respective fair values of the services received.

For the years ended July 31, 2017 and 2016, the Organization recorded no donated services or in-kind contributions.

Functional Allocation of Expenses

The costs of program and supporting services activities have been summarized on a functional basis in the statements of activities. The statements of functional expenses present the natural classification detail of expenses by function. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Income Tax Status

Utah Parent Center, Inc. is organized as a Utah nonprofit corporation and has been recognized by the Internal Revenue Service (IRS) as exempt from federal income taxes under Section 501(a) of the Internal Revenue Code as an organization described in Section 501(c)(3), qualifying for the charitable contribution deduction under Section 170(b)(1)(A)(vi), and has been determined not to be a private foundation under Section 509(a)(1). The Organization is annually required to file a Return of Organization Exempt from Income Tax (Form 990) with the IRS. In addition, the Organization is subject to income tax on net income that is derived from business activities that are unrelated to its exempt purpose. The Organization has determined it is not subject to unrelated business income tax and has not filed an Exempt Organization Business Income Tax Return (Form 990-T) with the IRS.

The Organization believes that it has appropriate support for any tax positions taken affecting its annual filing requirements and, as such, does not have any uncertain tax positions that are material to the financial statements. The Organization would recognize future accrued interest and penalties related to unrecognized tax benefits and liabilities in income tax expense if such interest and penalties are incurred.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the Organization to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates and those differences could be material.

Financial Instruments and Credit Risk

The Organization manages deposit concentrations risk by placing cash, money market accounts, and certificates of deposit with financial institutions believed by management to be creditworthy. At times, amounts on deposit may exceed insured limits or include uninsured investments in money market mutual funds. To date, the Organization has not experienced losses in any of these accounts. Credit risk associated with accounts receivable is considered to be limited due to high historical collection rates and because substantial portions of the outstanding amounts are due from governmental agencies supportive of the Organization's mission. Investments are made by diversified investment managers whose performance is monitored by management and the Board of Directors. Although the fair values of investments are subject to fluctuation on a year-to-year basis, management and the Board of Directors believe that the investment policies and guidelines are prudent for the long-term welfare of the Organization.

Subsequent Events

Management has made an evaluation of subsequent events through February 16, 2018, the date on which the financial statements were available to be issued.

Note 2 - Fair Value Measurements

Financial Instruments Measured at Fair Value on a Recurring Basis

Certain assets are reported at fair value in the financial statements. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction in the principal, or most advantageous, market at the measurement date under current market conditions regardless of whether that price is directly observable or estimated using another valuation technique. Inputs used to determine fair value refer broadly to the assumptions that market participants would use in pricing the asset or liability, including assumptions about risk. Inputs may be observable or unobservable. Observable inputs are inputs that reflect the assumptions market participants would use in pricing the asset or liability based on market data obtained from sources independent of the reporting entity. Unobservable inputs are inputs that reflect the reporting entity's own assumptions about the assumptions market participants would use in pricing the asset or liability based on the best information available. A three-tier hierarchy categorizes the inputs as follows:

Level 1 – Quoted prices (unadjusted) in active markets for identical assets or liabilities that the Organization can access at the measurement date.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly. These include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in markets that are not active, inputs other than quoted prices that are observable for the asset or liability, and market-corroborated inputs.

Level 3 – Unobservable inputs for the asset or liability. In these situations, the Organization develops inputs using the best information available in the circumstances.

In some cases, the inputs used to measure the fair value of an asset or a liability might be categorized within different levels of the fair value hierarchy. In those cases, the fair value measurement is categorized in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement. Assessing the significance of a particular input to entire measurement requires judgment, taking into account factors specific to the asset or liability. The categorization of an asset within the hierarchy is based upon the pricing transparency of the asset and does not necessarily correspond to the Organization's assessment of the quality, risk or liquidity profile of the asset or liability.

The Organization's investment assets are classified within Level 1 because they are comprised of mutual funds with readily determinable fair values based on daily redemption values.

The following table presents assets measured at fair value on a recurring basis, except those measured at cost as identified below, at July 31, 2017:

		_Fa	ir Value Mea	suremer	nts at Re	port Date	Using
Assets	 Total	Acti for	Quoted Prices in ive Markets Identical Assets Level 1)	Oti Obser Inp	ficant her rvable outs rel 2)	Signit Unobse Inp (Leve	ervable uts

Mutual funds		332,122		332,122	,					
Total endowment investments at fair value	\$	353,999	\$	353,999	\$		\$			

Note 3 - Net Investment Return

Net investment return consists of the following for the years ended July 31, 2017 and 2016:

	2017			2016
Endowment investments				
Interest and dividends	\$	22,308	\$	7,828
Net realized and unrealized gain (loss)		32,118		(4,326)
Endowment net investment return	\$	54,426	\$	3,502

Note 4 - Furniture and Equipment

Furniture and equipment consists of the following at July 31, 2017 and 2016:

	 2017	 2016		
Furniture and equipment Accumulated depreciation	\$ 60,766 (47,721)	\$ 52,351 (44,923)		
	\$ 13,045	\$ 7,428		

Note 5 - Endowment

The Organization's endowment (the Endowment) consists of one fund established by donors to provide annual funding for autism related community support. Net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.

The Organization's Board of Directors has interpreted the Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds, unless there are explicit donor stipulations to the contrary. At July 31, 2017 and 2016, there were no such donor stipulations. As a result of this interpretation, the Organization classifies as permanently restricted net assets (a) the original value of gifts donated to the Endowment, (b) the original value of subsequent gifts donated to the Endowment (including promises to give net of discount and allowance for doubtful accounts, and (c) accumulations to the Endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added. The remaining portion of the donor-restricted Endowment is classified as temporarily restricted net assets until those amounts are appropriated for:

expenditure by the Organization in a manner consistent with the standard of prudence prescribed by UPMIFA. The Organization considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds

- The duration and preservation of the fund
- The purposes of the organization and the donor-restricted endowment fund
- General economic conditions
- The possible effect of inflation and deflation
- The expected total return from income and the appreciation of investments
- Other resources of the organization
- The investment policies of the organization

At July 31, 2017 and 2016, the Organization's Endowment consists entirely of donor-restricted funds and did not include any board designated funds.

Investment and Spending Policies

The Organization has adopted investment and spending policies for the Endowment that attempt to provide a predictable stream of funding for operations while seeking to maintain the purchasing power of the Endowment assets. Over time, long-term rates of return should be equal to an amount sufficient to maintain the purchasing power of the Endowment assets, to provide the necessary capital to fund the spending policy, and to cover the costs of managing the Endowment investments. A significant portion of the funds are invested to seek growth of principal over time.

The Organization uses an endowment spending-rate formula to determine the amount to spend from the Endowment each year. The rate, determined and adjusted from time to time by the Board of Directors, is applied to the average fair value of the Endowment investments for the prior year to determine the spending amount for the upcoming year applied subjectively. In establishing this policy, the Organization considered the long-term expected return on the Endowment, and set the rate with the objective of maintaining the purchasing power of the Endowment over time.

Changes in the Endowment net assets for the year ending July 31, 2017 are as follows:

	Unres	Unrestricted		mporarily testricted	rmanently estricted	Total	
Endowment net assets,							
beginning of year	\$	-	\$	163,806	\$ 190,193	\$	353,999
Net investment return		-		54,426	-		54,426
Distributions		-		(14,389)	-		(14,389)
Contributions					 250		250
Endowment net assets, end of year	\$		\$	203,843	\$ 190,443	\$	394,286

Changes in the Endowment net assets for the year ending July 31, 2016 are as follows:

Endowment net assets,				
beginning of year	\$ -	\$ 173,792	\$ 189,943	\$ 363,735
Net investment return	-	3,502	-	3,502
Distributions	-	(13,488)	-	(13,488)
Contributions	 		250	250
Endowment net assets,				
end of year	\$ -	\$ 163,806	\$ 190,193	\$ 353,999

Note 6 - Temporarily Restricted Net Assets

Temporarily restricted net assets consist of the following at July 31, 2017 and 2016:

	2017		2016	
Autism related community support -				
endowment appreciation	\$	203,843	\$	163,806
Family to Family Network and Family Voices		14,851		17,255
Family Links Conference		11,195		14,054
Other		94		94
	•	229,983	•	195,209
	<u> </u>	229,983	<u> </u>	193,209

Note 7 - Permanently Restricted Net Assets

Permanently restricted net assets of \$190,443 and \$190,193 at July 31, 2017 and 2016, respectively, represent funds to be held in perpetuity. Permanently restricted net assets represent primarily an amount received from the Autism Society of Utah in 2003. Contributions totaling \$250 were received from other donors during each of the years ended July 31, 2017 and 2016, under the same conditions as those required by the Autism Society of Utah. The income generated by the Endowment shall be used for providing autism related community support.

Note 8 - Operating Lease

The Organization is under a lease commitment for their office space through August 31, 2020. The terms of the lease require monthly payments of \$5,350.

Future minimum lease payments are as follows:

Years Ending July 31,	
2018	\$ 64,200
2019	64,200
2020	 5,350
	\$ 133,750

For the years ended July 31, 2017 and 2016 rent expense under this lease commitment totaled \$61,172 and \$60,409, respectively.
