

# Join Our Research Study!

## Who?

- Parents of children **aged 5-11**, with or without an autism diagnosis, and no history of neurological disorders (e.g., fragile X syndrome, epilepsy, or traumatic brain injury)
- Fluent in English

## Where?

- Complete an **online** questionnaire that will take roughly 30 minutes

## Why?

- Help increase understanding of how children react to certain environmental and social scenarios
- Participants who complete this questionnaire will have a 1 in 20 chance of winning a **\$50 gift card**

## How?

- Scan the QR code or send us an email to learn more!
